As our senior year comes to a close, we look back at the past four years filled with memories of friends, fun and laughter, tears, change, and heartbreak. We also encounter remembrances of influential figures in our lives who provided us with the guidance we needed to become the young adults we are today, and the prosperous adults we'll become in the future. This year, the class of 1998 has chosen to dedicate their yearbook to Mr. Austin O'Toole for his many years of support and caring.

Mr. O'Toole, throughout 35 years of teaching English here in Swansea, you have provided us with lessons that will prepare us for whatever we might encounter in the future. The Class of 1998 says farewell and thank you for many great years of service.

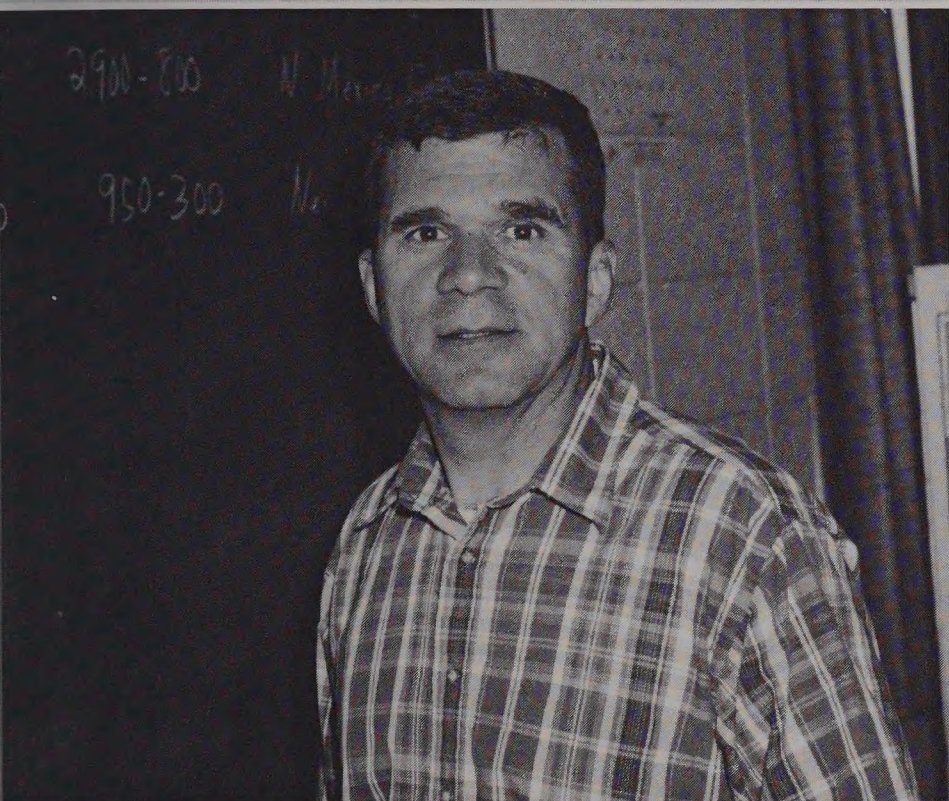

In Appreciation

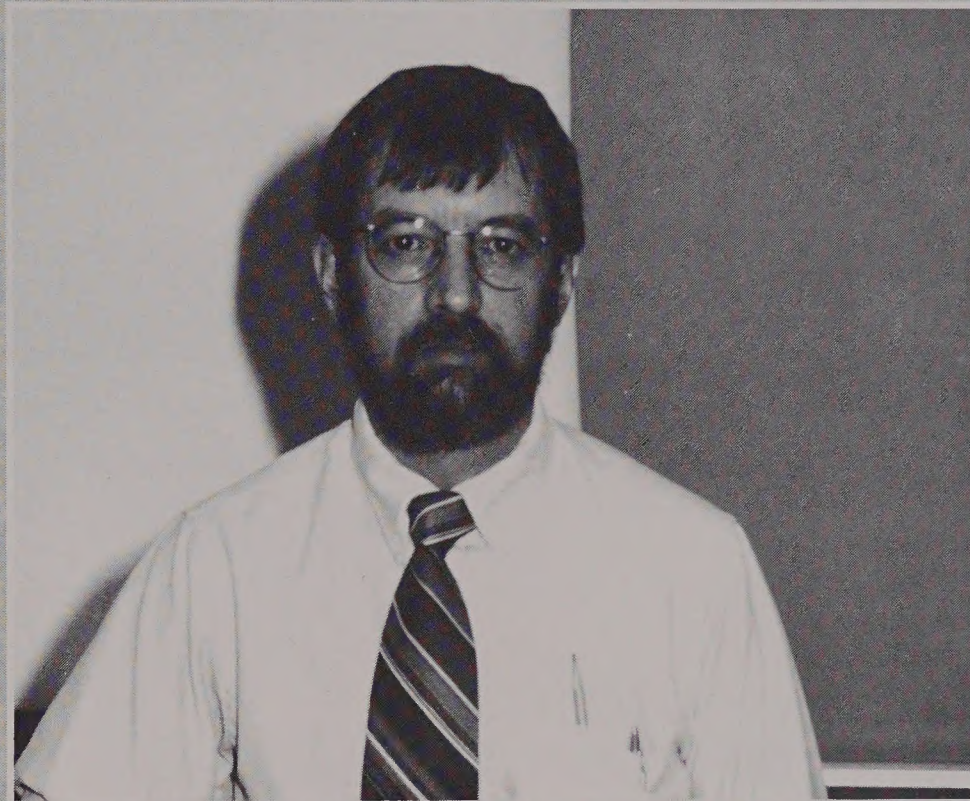

Special thanks must be given to Mr. Carr, Mr. Cote, Mr. Eddy, Mr. Noble, and Mr. Paulhus, whose confidence in the students here at Case has reflected our success. The Class of 1998 has selected these teachers on account of their dedication and ability to captivate their students. Thank you for guiding us through four great years; your help is greatly appreciated.

Mr. Carr

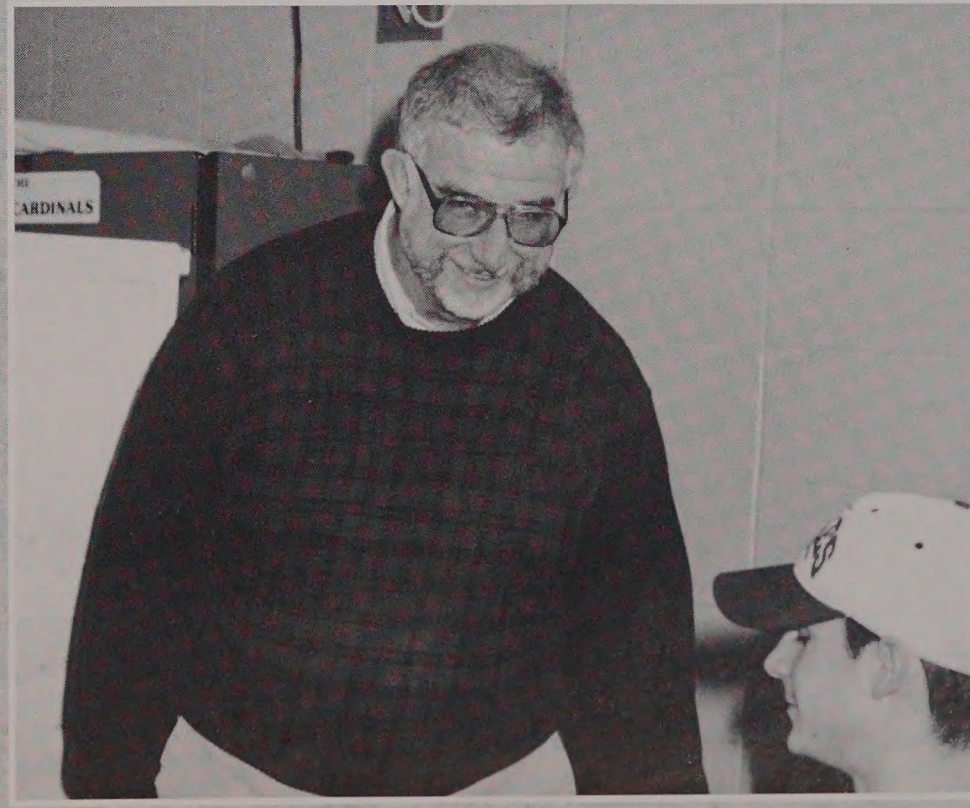

Mr. Cote

Mr. Eddy

Mr. Noble

Mr. Paulhus

Kenneth J. Grew, Ph.D.

To the Members of the Class of '98:

You are about to enter a new phase in your life with your graduation from Joseph Case High School. The road you travel will provide you with new challenges, new opportunities and new friends. As you travel this path, please remember that you go with the hopes and dreams of many people for your continued success. Your classmates, your families and each of us associated with the Swansea Schools wish you good health, good fortune and great success in your future.

Remember to rely upon those attributes which enabled you to successfully complete your studies at Case High School as you go through life. Meet your future challenges with confidence in your abilities, pride in your efforts and belief in your purpose. For, as Eleanor Roosevelt said, "The future belongs to those who believe in the beauty of their dreams."

Again, best wishes for your future dreams and future successes!

JOSEPH D. SANTOS PRINCIPAL

To the Class of 1998:

Four years ago, you entered Joseph Case High School as nervous freshmen unsure of what was ahead of you. I have watched you mature into ladies and gentlemen with very clear and positive goals. You have made a difference at Case High with your spirit and enthusiasm and I am sure this will carry over as you graduate from Case High and enter into new challenges.

You have developed a good work ethic and have been provided with an excellent education. I look forward to watching what you pursue for your career goals. I hope you will stop by from time to time and let me know how you are doing. You can always come “home” to Case High School.

Joseph D. Santos,
Principal

CHRISTINE M. STANTON VICE-PRINCIPAL

In the quest to restructure, education is continuously changing and improving allowing us to fulfill our vital mission that society entrusts to educators. The Class of 1998 leaves Joseph Case High School presently engaged in many of the school changes as we embrace and implement the new education reforms in Massachusetts. The skills and competencies you acquired were the outcome of a new kind of teaching. All of us have tried very hard to encourage you to be punctual, polite and hard-working while fostering an ability to “work with diversity,” “exercise leadership” and “understand social, organizational and technological systems.” This may seem like a lot but your success at Joseph Case High School has prepared you for the global economy which is your step forward to make it at any place at any level. When you walk across the stage on graduation day, receiving your well deserved diploma, get ready to reach your highest goals and fulfill your greatest potential. The world is yours to make a difference. Remember “DON’T COMPARE, BECOME” progress is always forward.

Sincerely yours,

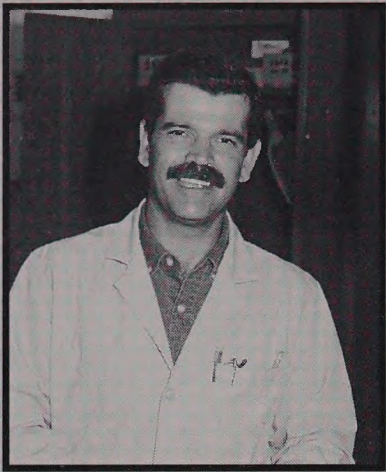

Christine M. Stanton,
Assistant Principal

A DOZEN AND NONE

Going Straight to State

The girl's Cross Country team won the SCC championship for the first time in our school's history. We had an undefeated season finishing our dual meets with a record of 12-0. Our title didn't come easily because there were many challenging teams in our conference. Two of our biggest wins were against Seekonk and Wareham. The girls Cross Country team hasn't beaten Seekonk in the last 18 years.

The captain of our team was senior Amy Blackburn, who battled injuries all season, but was still one of our top runners. Our number one runner was Sheela Agrawal. She had an amazing season in which she finished the top runner in our conference, number two in the state, and qualified to run in the national race which is sponsored by Foot Locker.

Other team members were Kathy Wilson, Lee Stanish, and Rachael and Jessica Sugal.

Boys Cross Country

As I reflect back on my years as a member of Case High School's Cross Country team, I am flooded with memories of pain, exhaustion, and laughter. This year's team was comprised of mostly seniors. We did, however, appreciate the hard work of our underclassmen - Jack Downs, Derek Davis, and Mike Thomas. This year's seniors will soon be going their separate ways. As we begin our own lives, may we always carry our cross country memories in our hearts --- Wampanoag, Erica's house, the bush, getting caught walking, Hingo's "injuries", Andrade's "dentist appointments", and Ulmschneider's "illnesses."

Boys Golf

The Golf Team's main goal was to win some matches and have fun. We did this by finishing with a record of 11-7 and qualifying for the State Tournament. This was quite an accomplishment since the program was only two years old. Senior captain Dave Albernaz led the team, playing number one most of the year. Other starters included sophomore Jon Cornell, freshman Chris Godet, senior Matt Jones, and sophomores Jeff Belyea and Rob Lever.

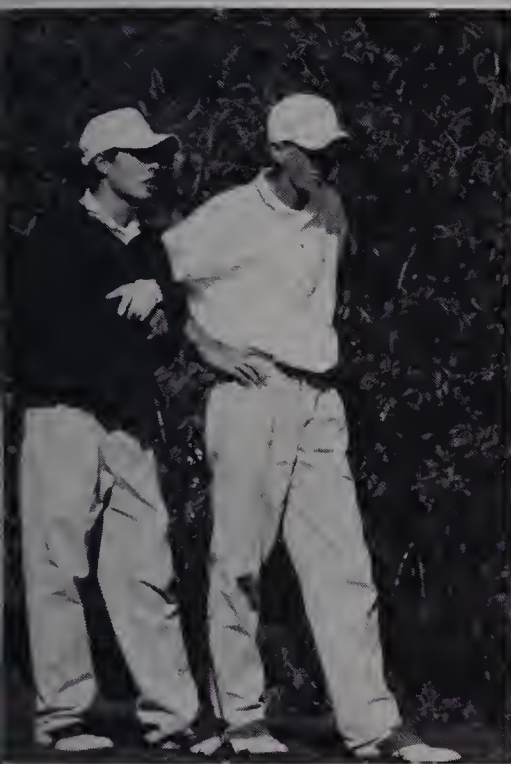

The Golf Team would like to thank Quissett Country Club for letting us play their course and the Coles River Driving Range for letting us use their facilities. We would also like to thank Coach Antunes who really helped us out this year.

Girls Field Hockey

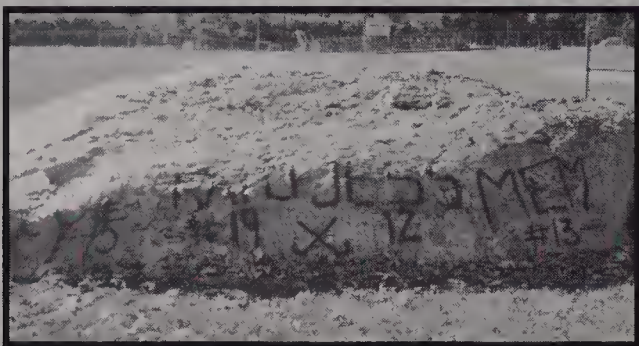

The Case High Field Hockey Team ended up with a 7-8-3 record. The team was lead by co-captains Laura Valcourt and Nicole Cote. The scoring was led by Laura Valcourt, Meredith Mello, and Cailyn Kirkman, who played strong offensively all season. The backfield was led by Nicole Cote, Jessica Valcourt, and Meg Gormally, all of whom played outstanding defense. Kristy Pimental did her job in goal very well, earning six shutouts by the end of the season. Laura Valcourt and Nicole Cote made the SCC All-Star Team and Meredith Mello and Cailyn Kirkman received Honorable Mention awards. The highlights of the season were the win over the previously unbeaten Seekonk team and the double win over Dighton-Rehoboth. The Field Hockey team was also unanimously chosen to receive the South Coast Conference Sportsmanship Award.

Girl's Soccer

This year's season was successful, despite many injuries. With as many as ten girls hurt at one time, the underclassmen really had to step up to the competition. They often played games without subs, but always continued to work hard. This season was a year of learning and with only five seniors leaving, the underclassmen have an excellent chance of dominating the league next year.

Case's opening tie against defending league champion New Bedford Voke showed that the Cardinals would have a prosperous season. The team was lead by captains Jeff Kenyon, Adam Hoyle, and John McAniff. Jeff Kenyon controlled the defense from the net, while Adam Hoyle dominated the midfield and also added 8 goals and 9 assists. John McAniff was hampered by injury throughout the season, but was still a positive influence. Injuries also affected senior David Crisafulli during many practices, but he still had a strong year. Senior Marc Marcel was a major contributor to the team as well. The Cardinals fell short of the post season State Tournament by one game, but still finished strong by beating rival Somerset, 2-1, in the final game of the season.

VOLLEYBALL

This year's varsity volleyball team had many obstacles to overcome this season. As the defending State Champions all the teams on our schedule were primed to beat us this year. Still, we were able to finish with a record of 18-4 and qualified for the State Tournament again. This was a season of learning under our new coach, Karen Mendes, and all the players did learn a lot. One of the most important lessons was learning to pull together and work hard. In the last game of the season against Bourne, the team never gave up and showed we could play as one. Regardless of all the obstacles everyone learned one thing, "Don't compare, become".

The girls' gymnastic team showed a lot of improvement this year, finishing with a 3-3 record and tying for third in the league. The only senior on this year's team was Dawn Brightman, who has been one of the team's all-around stars for the past few years. Dawn won the Coach's Award and Kristin Gill won the MVP Award.

Winter Track

The 1997/98 Winter Track Team had a great season despite a small amount of team members and various injuries. The girls' team was captained by seniors Amy Blackburn and Chantal Ambroise. Junior Sheela Agrawal had an outstanding season finishing first in the state in the two-mile with a meet record time. The girls finished sixth in the SCC and in the State for Class D. Other members of the girls' team were: Nicole Cote, Trisha Costa, Kathy Wilson, Lee Stanish, Rachel Sugai, Tracey Leduc, Abby Higginbottom, and Caroline Stanko.

The boys' team also did very well despite having only 5 members. The captain of the boys' team was senior Greg Medeiros. Junior Daryl Soares led the team by placing in every meet. Kurt Eng, Mike Thomas, and Jimmy Fonseca were the other members of the team.

Girls' Basketball

Our basketball team had a great season this year. The highlight of our season was winning the championship at the Westport Tournament, which was played at the beginning of the season.

Senior captains Jen Nixon and Missy Medeiros were awarded the Coach's Award and Ramona Medeiros earned the Sportsmanship Award. Congratulations to the rest of the team and good luck next year.

Boys' Basketball

The 1997-98 Boys' Basketball team will not be remembered for a winning record but we will be remembered as the hardest working team in the South Coast Conference. Even though we were a small, young, inexperienced team, we played our hardest, game in and game out. The team thanks Coach Cookson for keeping faith in us throughout the season.

The award recipients were: Matt Jones-M.I.A.A. Sportsmanship Award; Eric Thomas-Coach's Award; Dave Fleet-MVP and Dave Cowen's Award nominee.

This year, our basketball cheering squad had an exceptional season. The girls' hard work paid off and gave way to many new team accomplishments. Placing 3rd, they put on a great performance at this year's SCC Cheering Competition. Qualifying for regionals and being the only Case squad to ever place at competition was a memory never to be forgotten. To the cheerleaders, always remember: winning at Comps, jello fights, "Bill", Pizza Hut, spaghetti suppers, getting the lib, bent knees, warm-up suits from hell, and "I need a haircut."

Case's Little Faces

Trying to capture the perfect collection of memories in a single book was definitely a task at hand. As editors, we put forth a lot of hard work and dedication (and weekends and vacations) to create a book representing the entire student body. With help from a few special people, our job in completing this collection of personal stories was much easier.

Special thanks must be given to:

- * Mr. Noble for putting up with missed deadlines and always supplying us with M&Ms, Skittles, and Hershey Kisses
- * Mrs. Lucca for dealing with constant interruptions in her library during classtime
- * Mr. Garnett for all of his advice
- * The custodians who kept Mr. Noble's office ready for us to use at all times
- * Chestnut Hill Studios
- * Mr. Conforti
- * Everybody else who helped us along the way

"I remember thinking, 'Wow -- he's really weird.' But when I got to know him better, I realized we were perfect for each other. We balanced each other out."
Jen Afflerbach

"His beautiful eyes, his warm smile, and his tight embrace."
Kim Gaydou

"Always being happy and hardly ever being sad."
Haley Medeiros

What do you remember about your first love at Case?

"Being too shy to do anything about it."
Katie Hebda

"Trying hard to forget her."
Garrett Hajder

"My first love at Case is all of the friends I made and how they were always there for me, and all the fun we had together."
Al Rodrigues

"I sat on her couch for about an hour while there was dead silence and when I was leaving I asked her out."
Mike Rapoza

"That he always made me feel special and loved me for me. I'll never forget that."
Nicole Cote

Four years have passed since I gave you this message. I had hoped it would help many of you get through high school. I send it to you again with the wish that it help you walk through life. I wish you all success, health and happiness.
Mrs. Bernier (a.k.a Miss Lorie)

THESE ARE MY WISHES FOR YOU

May you find serenity and tranquility in a world you may not understand. May any pain you know and conflict you experience give you strength to walk through life facing each new situation with courage and optimism.

Always know that there are those whose love and understanding will always be there, even when you feel most alone. May you discover enough goodness in others to believe in a world of peace. May a kind word, a reassuring touch, and a warm smile be yours in every day of life, and may you give these gifts as well as receive them. Remember the sunshine when the storm seems unending. Teach love to those who know hate, and let love embrace you as you go into the world...

May the teachings of those you admire become part of you, so that you may call upon them. Remember, those whose lives you have touched and who have touched yours are always a part of you, even if the encounters were less than you wished. It is the content of the encounter that is more important than its form. May you not become too concerned with material matters, but instead place immeasurable value on the goodness in your heart.

Find time each day to see the beauty and love in the world around you. Realize that each person has limitless abilities, but each of us is different in our own way. What you feel you may lack in one regard may be more than compensated for in another. What you may feel you lack in the present may become one of your strengths in the future. May you see your future as one filled with promise and possibility. Learn to view everything as a worthwhile experience. May you find enough inner strength to determine your own worth by yourself, and not be dependent on another's judgement of your accomplishments.

May You Always Feel Loved
